

Clinician, Outpatient Mental Health, Salaried (LICSW, LMHC, LMFT, Psy.D.)

The Counseling Center at Jewish Collaborative Services is looking for a creative, compassionate, kind, and hardworking individual to join our team of talented clinicians. This part-time (20 hour a week), salaried, Rhode Island licensed clinician position offers opportunities for training and professional growth.

To accommodate the credentialing process and to allow a new hire time to transition, the start date will be 6-8 weeks after the job offer.

Responsibilities:

Clinicians are currently providing telehealth services from their home and from the JCS office in Providence. Clinician will complete psychosocial assessments, develop treatment plans and provide ongoing psychotherapy to assigned clients in the Counseling Center at JCS and be responsible for timely completion of paperwork. Our team of experienced clinicians work with children, adolescents, their families, and individuals remotely, but soon back in our warm and welcoming location in Providence. At least one evening per week is required to accommodate working individuals, children, and families; candidates who can work two evenings per week (Tuesdays and Thursdays) are strongly encouraged to apply.

Qualifications and Skills

- Master's degree in social work, mental health counseling, or Doctoral Degree in psychology from an accredited university
- Experience in, or willingness to, provide telehealth services through the platforms JCS provides (TheraNest and Doxy.Me)
- Rhode Island independent licensure in good standing (LICSW, LMFT, LMHC, Psy.D.)
- Experience counseling children, adolescents and families
- Experience with evidence-based treatment approaches preferred
- Recognition of and respect for diversity and inclusive practices
- Tuesday or Thursday afternoon and evening hours are required with preference to an individual who can accommodate both days.

Benefits

- We offer a generous compensation package, including health and dental benefits, earned time off, sick time, paid federal and some Jewish holidays, and 401K.
- We provide billing and credentialing support to ease the transition into The Counseling Center at JCS.
- We provide ongoing weekly group and individual clinical supervision and training to ensure the highest level of care and innovation.
- Flexible schedule, a choice of Tuesday or Thursday afternoon/evening required. Availability on both evenings is highly preferred.

- Comfortable and fully furnished office space, electronic medical records, computer, front desk/Admin support, video monitored semi-garaged parking lot, access to HIPAA compliant telehealth platform.
