

LifelineRI

Why Choose Lifeline RI?

#1 Emergency Response System in North America.

24 hours a day,
365 days a year

Personalize your emergency contact plan.

State-of-the-art medical alert equipment that is waterproof, lightweight, discrete, and fall-detecting.

The Lifeline RI team is local & available for calls, at-home installation, and service needs.

There are no hidden fees, expensive equipment charges, or long-term contracts.

Whether you are at home or on the go, local help is always there with *Lifeline RI*.

Your Lifeline to Independent Living

Live with peace of mind, greater independence, and dignity. Lifeline RI is the best emergency response system for Rhode Islanders who want flexibility, independence, and the best access to care.

Getting Started with Lifeline RI

1. Call our office at 401-331-1244 and speak with a Lifeline RI representative who will help you explore your options and find the plan that is best for you. *Spanish-speaking representatives are available!*
2. Provide us with your contact information and essential health history to create a personalized contact list and emergency plan.
3. A Lifeline RI technician will come to your home to set up, test, and teach you how to use the system.
4. You are all set up! Our team will continue to be there to check in with you and answer any questions should they come up.
